ELEGANT LUXURY DESIGN

July 2022 Printed

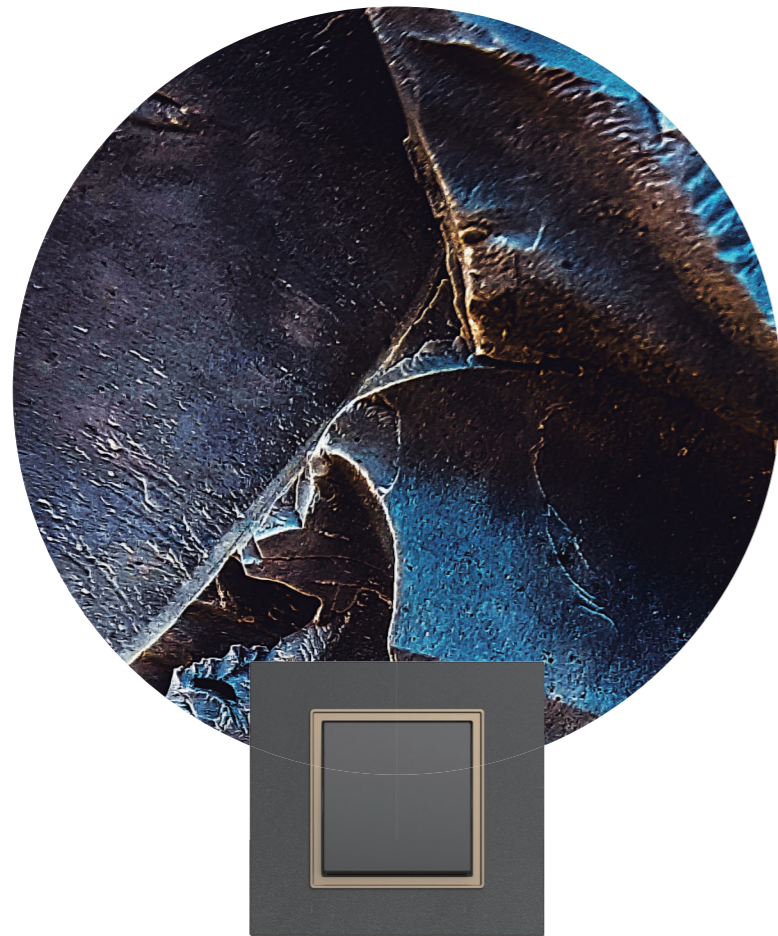

## Simon | V8

*ELEGANT & LUXURY DESIGN*

Inspired by nature materials makes V8 unique. From bold and avant-garde frames to the most harmonious and traditional.

Thanks to the originality and quality of the pure materials which they are made with, there are multiple possibilities (rock, metal, glass or plastic). V8 transmits the

# Simon | V8

## V8 Nature PRO

Innovative textures that give an exclusive touch to interiors that require sobriety and elegance

Multiple choices of frame offer a luxury texture and different color combina-

### V8 Nature

Designed for spaces that need light and brightness. They combine perfectly with all decoration styles.

### V8 Classic

Elegance, The finishes are innovative and aesthetically attractive and give avant-garde interiors a technological feel.

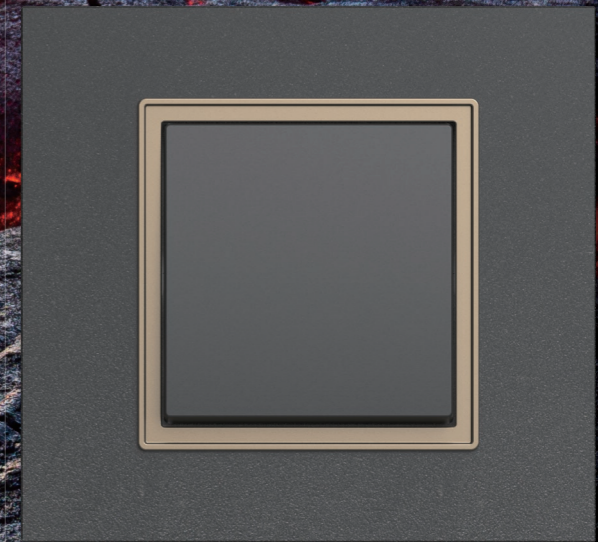

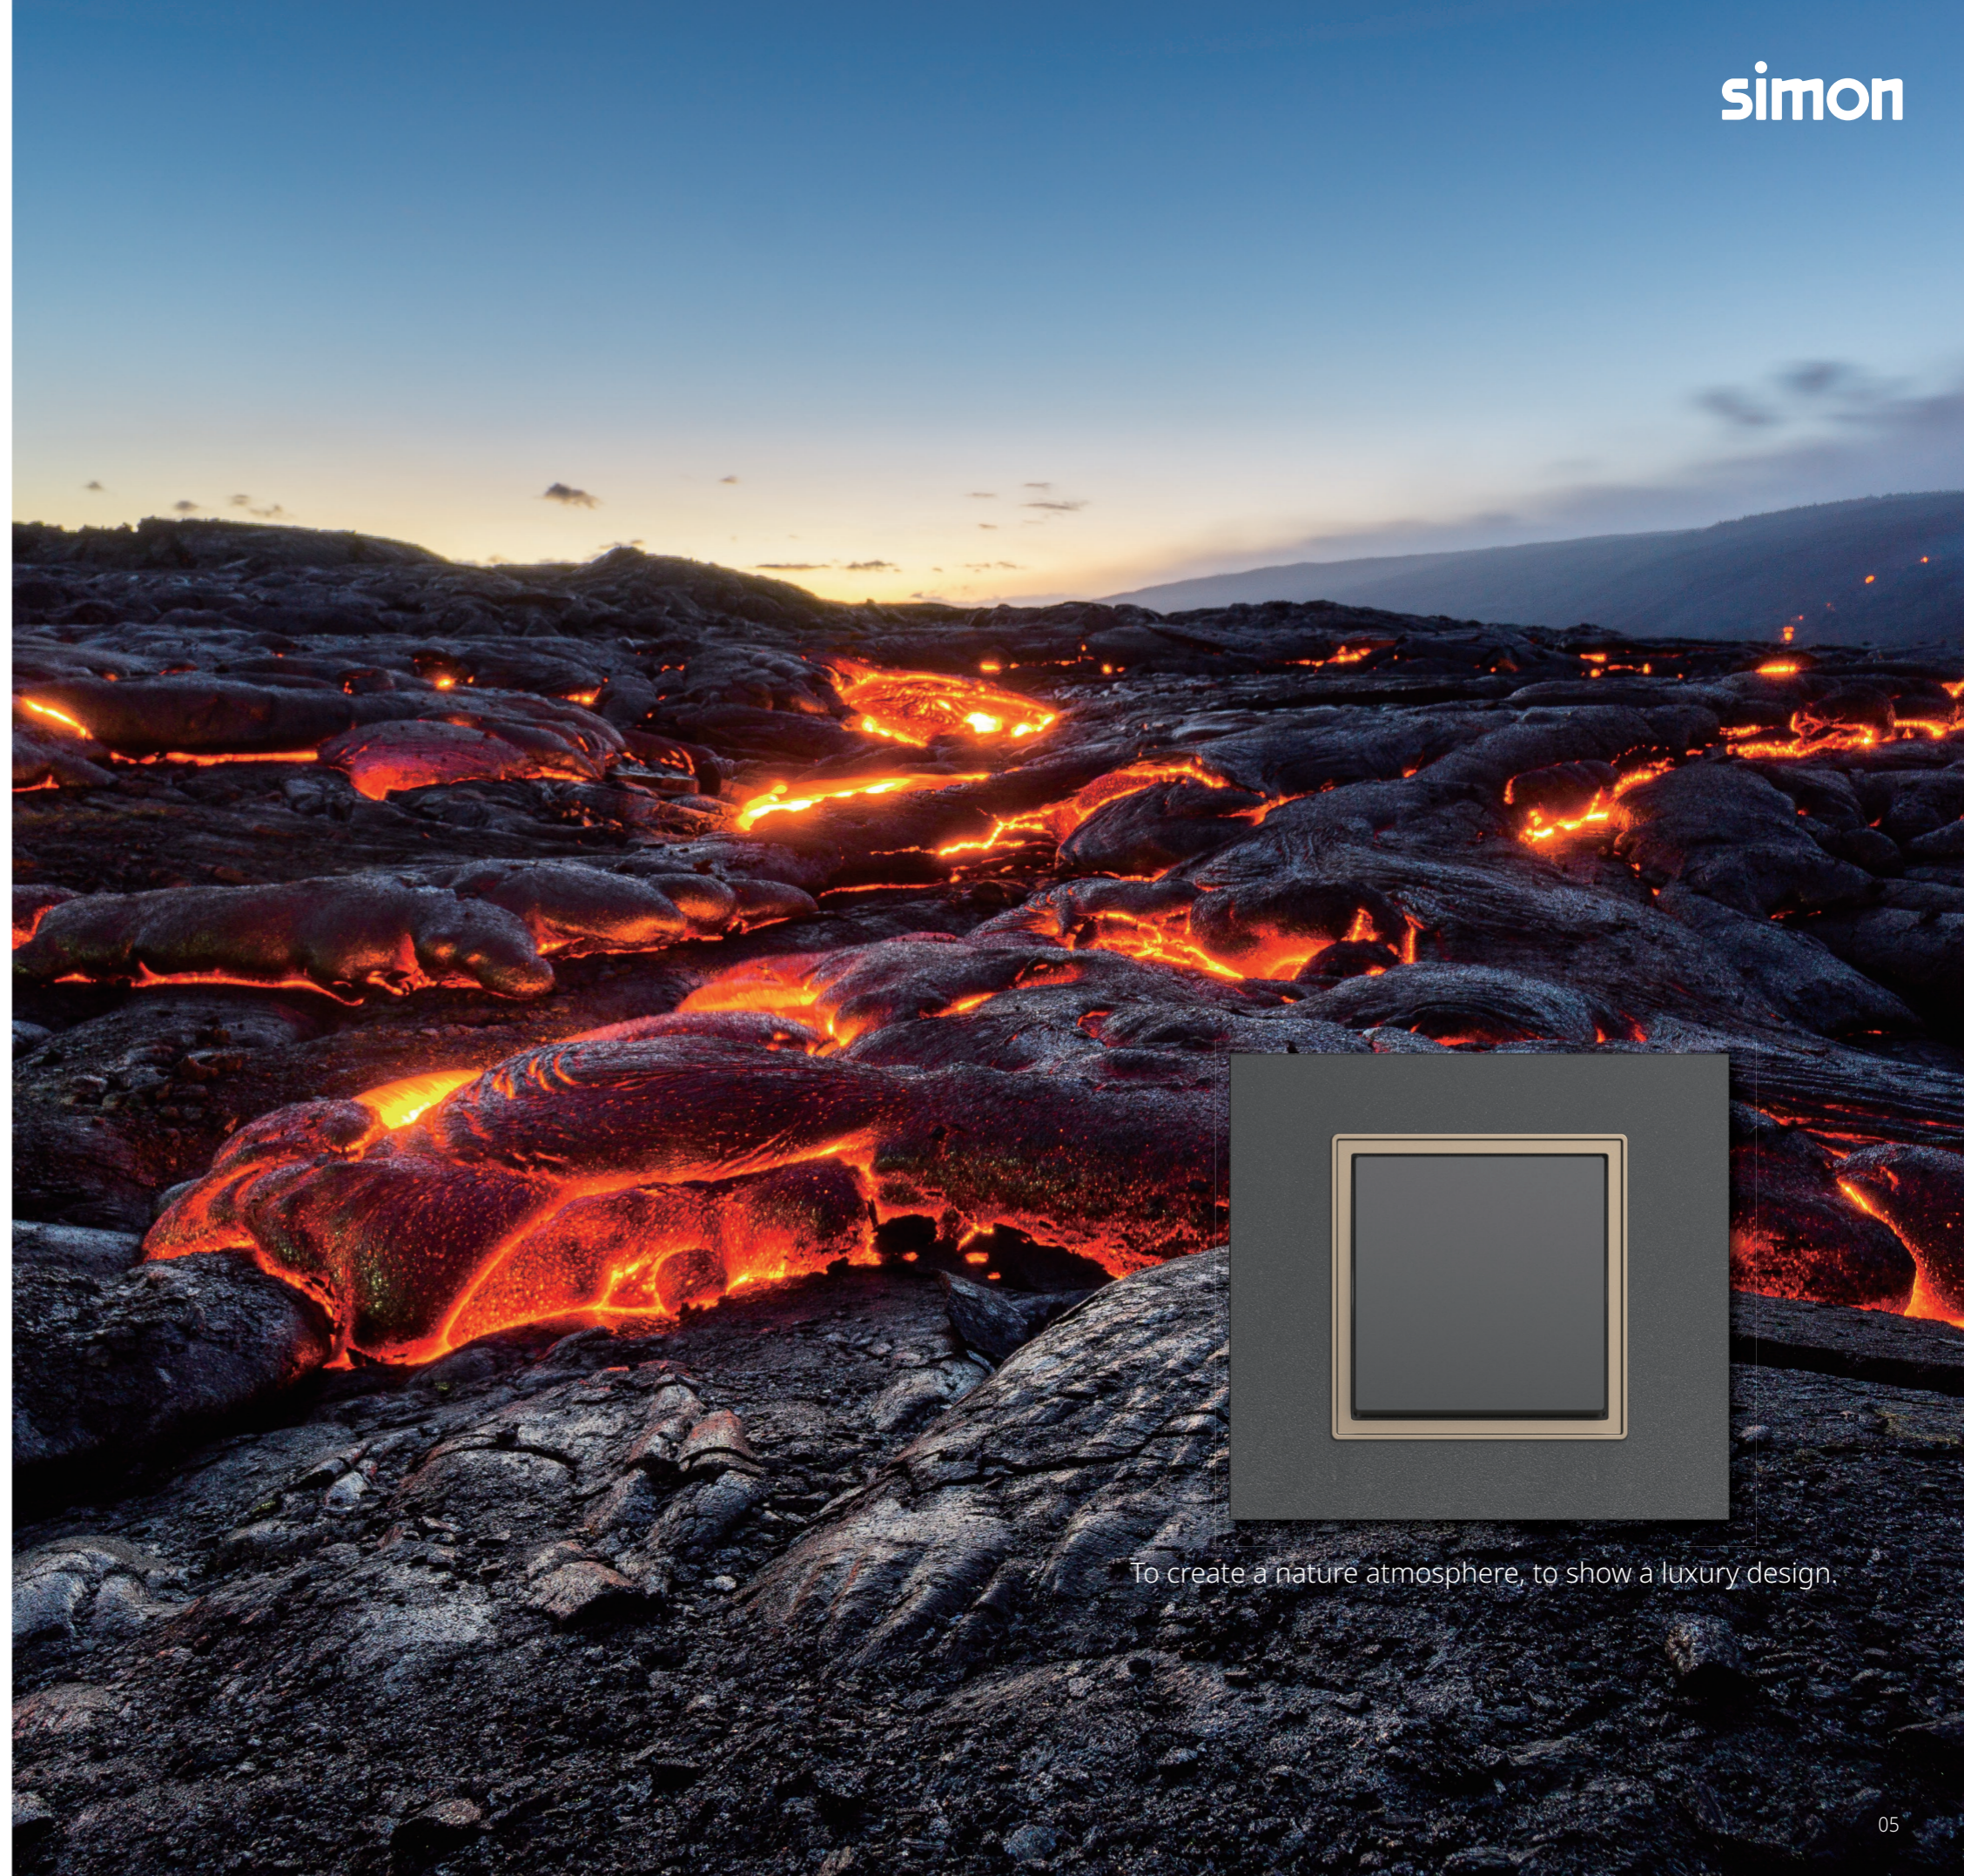

### V8 Basic

The base of the collection, with a perfect balance and simplicity.

## NATURE PRO

Simon creatively explored the application of rock, by applying the modern technology to this original material, we present V8 Nature Pro frame with a unique texture.

By applying the advanced technology, especially 15,000 tons pressing and 1200°C high temperature firing, also complicated processes such as cutting, drilling and grinding, it finally presents a unique appearance.

To create a nature atmosphere, to show a luxury design.

## V8 NATURE PRO

Original materials, merge into the space naturally.

Calacatta

Basalt

Zaha

The new V8 Nature pro frame is made of high-quality raw rock materials.

## V8 Nature

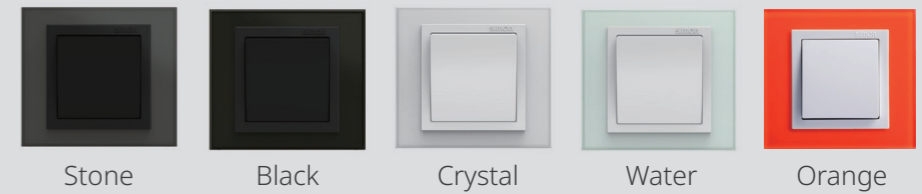

Transparent and pure glass, showing a clean elegant design.

### ***Bigger frame***

A breakthrough of traditional size, 95mm frame represents a bigger frame of art.

### ***Nature material***

Using the glass as clean as jade and as strong as stone, V8 Nature is a perfect combination of western and eastern romantics.

Crystal

Water

Orange

***Last forever***

V8 classic adopted Austenite 304 stainless steel, which makes it shining, durable and highly resistant to corrosion.

***Modern style***

Using more than 30 procedures to ensure an exquisite surface, such as drawing, titanium plating, anti-fingerprint and so on.

***V8 Classic***

Classic metal element, light luxury choice for younger generation.

Gold

Silver

**V8 Basic**

Soft and elegant visual art

**Smooth and elegant surface**

Start with an elegant curve line to a smooth surface, extend the art aesthetic.

**Focus on detail**

Perfect combination of a smooth surface and precise inner technology.

## Our Materials

**1 Tempered glass, Metal, Rock and plastic**

- For the best frame aesthetics.

**PC 2 Insulating layer**

- Heat resistance and strong structure.

**3 Insulated steel baseboard**

- Electrical safety.
- Anticorrosive for longer live.
- Strength for perfect integration with the wall.

**4 45° wiring terminals**

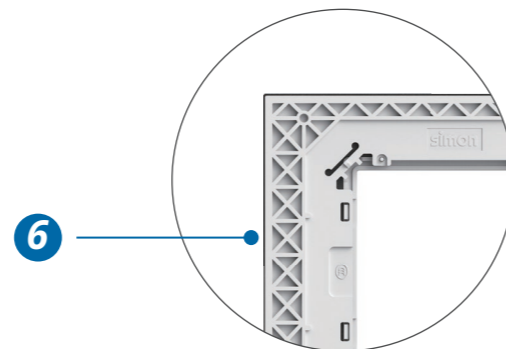

- Few space is needed.
- Reduce the installation time.

**5 Silver alloy contact**

- Electrical safety improving product life.

**6 Diamond pattern**

- Special design for V8 Nature PRO, ensure the strength of rock frame.

## Our expertise

**7 Ultrasonic welding**

- No solvents or adhesives, 100% environmentally friendly.

**8 Shutter**

- For children safety and protection.

**9 Copper current carrying parts**

- Excellent conductivity.
- Avoid overheats.

**10 Double-hole wiring**

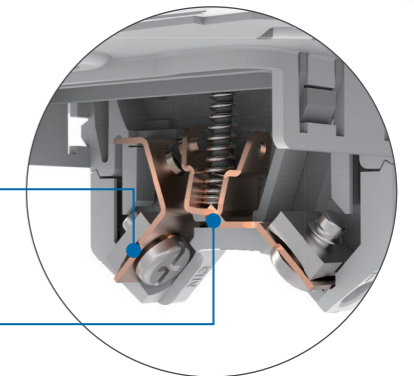

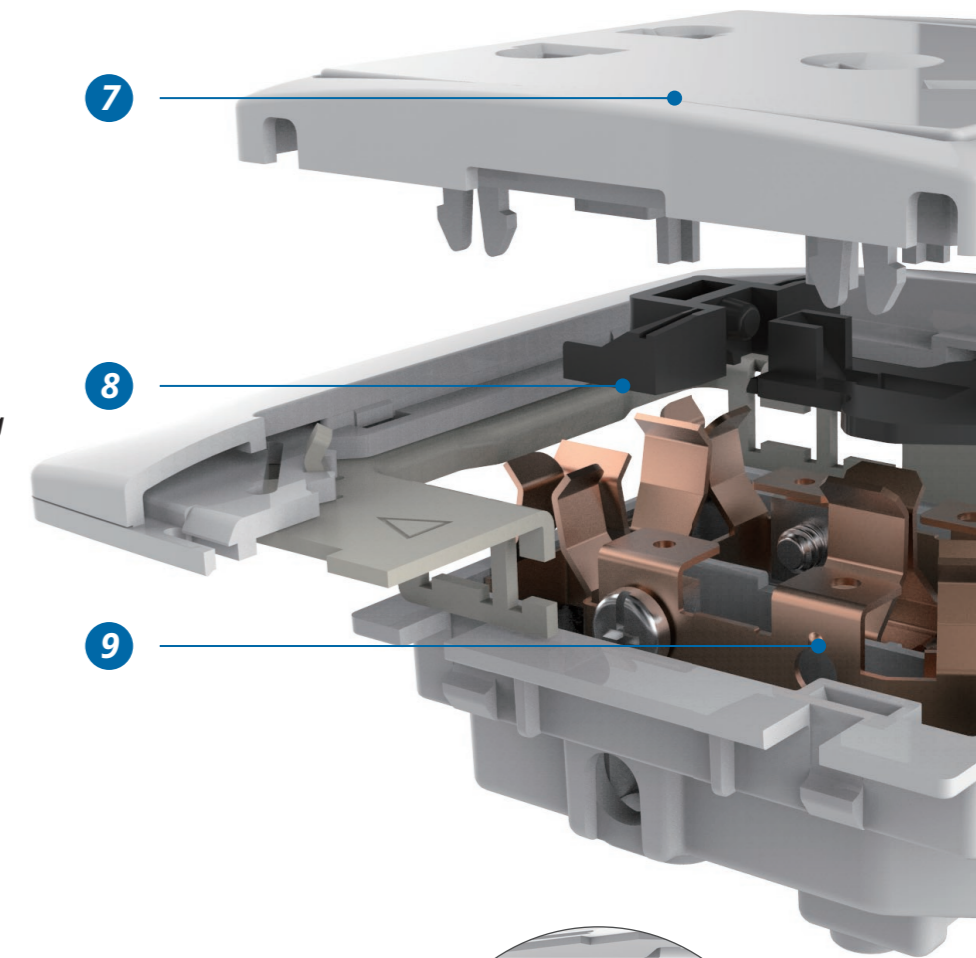

- Suitable for all type of cables.
- Ideal for fit 2 cables in the same terminal.

**11 U-Shape**

- Fast movement to minimize the electric arc.
- Instant On-Off.

**12 76 and 86 Multigang type**

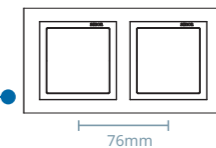

- Fits for the existing installations.
- Makes new installations better-looking.
